Def. Doc. #1170

Excerpt from the Asahi Shimbun, July 27, 1937.

Full text of the notification to the 29th Army. (July 26, 1937)

It is a matter of great regret that a clash between Japanese and Chinese forces took place on the 25th at Langfaug touched off by unlawful shootings by your forces at a part on our forces sent for the purpose of covering communications. It is the result of insincerity on your part in the execution of the agreement with our forces as well as your unmitigated challenging attitude. If your side still has the intension not to ${\tt agg}^{\bf P}_{\tt andize}$ the Incident, the 37th Division which is stationing in the vicinity of Marcololo Bridge and Fa-pao-shan should be quickly withdrawn to Changsintien by noon to-morrow, viz; the 27th, the 37th Division Inside the wall of Peiping should be withdrawn and, along with the unit of the 37th Division at Hsi-yuan, be transferred to the area west of the Yung Ting Ho through the area north of the Peiping Hankow Railway. The transportation of all these forces to Fac-ting area should be commenced without any lapse of time. In case your army fail to execute the above, our army will regard it as lack of sincerity on your part and will be obliged to take the regretable course of resorting to independent actions. All responsibility resulting from the above shall rest with your army.
